Home of the Mighty Wildcats

#MESPRIDE

On behalf of the faculty and staff, we would like to welcome you to Meadowlane Elementary, the home of the “Wildcats.” We are excited that you have chosen to become a part of the MES family and we are looking forward to assisting you in your efforts to achieve your educational goals. This year will be filled with high expectations for learning and growing academically, socially and emotionally. We anticipate an awesome year as we continue to be wild about learning and roar with each success!

Meadowlane Elementary was one of the eight schools recognized by the Alabama Department of Education to earn the prestigious title of **Torchbearer School** (a high-poverty public school that has overcome the odds to become a high-performing school) for the 2009-2010 academic school year. This program recognizes public schools in Alabama that demonstrates the principle all children can learn; despite of difficulties they may encounter. MES consistently met federal and state accountability standards through dedication and hard work from faculty, students and parents despite the odds. In an effort to continue with the *Torchbearer School* tradition, we are committed to achieving excellence all day, every day for all students in every classroom.

This handbook has been developed as a guide for a successful year. We encourage you to take the time to review each section of this handbook. Primarily, this handbook provides basic information you will need to know in order to function as a **Meadowlane Elementary Academic Scholar**. At MES, we desire the best of every child, and we are looking forward to partnering with you to help our scholars be the very best!

It is our wish that you have an Awesome 2019-2020 school year! We encourage you to become involved in all aspects of the academic program. *Together as A Team We Can Achieve More!*

The Philosophy of Meadowlane Elementary

The Philosophy of Meadowlane Elementary School is founded on the belief that all children can learn and have the fundamental right to an environment conducive to the best possible education. Communicating is essential to creating an environment where children can learn. Children learn best when there is an invested partnership between the home and school. Children should feel that their teacher and parent are supporting their academic efforts. The school must work closely with the parent to ensure the child is hearing the same message about his/her education. Educating a child is a full-time responsibility that does not end when the child leaves the school building. The school must listen carefully to the parent and the community stakeholders to understand expectations in the home as well as the community to ensure the parent and community share the vision, mission and goals of the school.

Strong relationships between the school, family and the community are essential to the academic success of all children. Education is a shared responsibility between the school, family, and the community, with the best results coming when all three are working together. Research indicates that the three most critical dynamics of school improvement are teaching and learning, school climate and family involvement. Therefore, the school must take the initiative in developing and sustaining effective partnerships because a well-planned visionary partnership is necessary for all children to succeed.

Academic rigor is at the heart of improving children learning. Children learn best when they are actively involved in their own learning. They need opportunities to manipulate their environment, explore and be challenged with instruction that is rigorous, relative and connected to real world issues to enhance their academic success. The school, family and the community must set high standards for learning and those standards must be expected and communicated to all children. Teachers, administrators, parents and the community must share the belief of holding children accountable for hard work and the expectation to continuously improve their learning in order to get meaningful results that will last a lifetime. This belief must be consistently articulated and modeled by the administrator, teachers, parents and support staff.

Meadowlane Elementary will foster a school climate that is collaborative, focused on results to ensure children learn, committed to frequent and ongoing assessments of student performance and assessment methods that are aligned to instructional practices and applied in the classroom. This process will involve communication, research, goal setting, and on-going professional development with a clear focus on student learning. By working together, we can achieve more!

Meadowlane Elementary is accredited by the Southern Association of Colleges and Council on Accreditation and School Improvement and the Alabama State Department of Education.

General School Procedures

School Hours 8:00 A.M. – 3:00 P.M.

Office Hours 8:00 AM-3:30 PM

Office personnel will not be available after 3:30 PM to take calls. If you need to speak with your child's teacher please send a note in parent/teacher communication folder, call the school the next morning or if you need to speak with the principal regarding an issue or concern, please send an email amcdonald@pcboe.net or call the school the next business day. Please do your best to refrain from calling school during dismissal or after 3:15 PM.

Students must be **in their classrooms by 8:00 A.M.** or they will be counted as tardy. For safety reasons, students are not allowed to be dropped off at school before 7:20 a.m. **as staff members are NOT available for supervision and the building will not be open.** The building door will open every day at 7:20 a.m. If students are left unattended outside without parent supervision, authorities will be called; this is for the safety and well-being of your child. All students arriving before 7:45 a.m. will report to the cafeteria upon arrival.

Arrival Procedures

The school day for children is 8:00 AM. – 3:00 P.M. For safety reasons, students should not arrive at school before 7:20 A.M. All students arriving before 7:45 A.M. are to report to the cafeteria and remain there until they are dismissed to their teacher between (7:45 A.M. and 8:00 A.M). If students arrive after 8:00 A.M. they must report to the office with an adult to get a tardy pass to their respective classroom.

Dismissal Procedures

School dismissal will begin at 3:00 P.M. daily. Please adhere to the following dismissal policies and procedures. Students will not be allowed to check out after 2:30 P.M. to ensure the dismissal process will be smooth and expeditious for all students and parents. Follow the circular driveway in one lane. Please do not stop next to a parked car and drop off or pick up your child. This process blocks the traffic and creates a safety hazard for other students when they are crossing in front of cars. ***Please wait your turn to drop off or pick up your child. Please remain in your vehicle during car rider dismissal. Your child or children will exit through the front double doors no later than 3:00 P.M. and a faculty or staff member will walk your child or children to your vehicle.*** Please report to the side entrance near the bus canopy if you want to pick up a student who walks; they will exit through the side double doors no later than 3:00 P.M. Please remind your child to stay in his or her designated area once they have been dismissed from the classroom. They will not be permitted to return to the classroom, go to the water fountain, or use the restroom once the dismissal process begins to ensure all students get to their designated area safely and on time. **Please be considerate of your child and staff members by being on time to pick up your child.** If students are left on campus after 3:30 P.M., they will report to the office and wait until a parent and/or guardian can arrive. If students are left on campus after 5:00 P.M., the police and/or authorities will be called.

Walkers

Walkers should enter the building through the double doors in the front of the building. Walkers will not be allowed to enter through side entrances or the back of the Bistro.

Bus Lane/ Van Lane

Only school buses may pick up and drop off students in the bus lane. Only school vans may pick up and drop off students in the van lane.

Transportation Changes

For safety reasons, there must be a **Written Note** if your child's transportation changes for any reason. Calling at the last minute tends to create confusion and difficulties for the child. Transportation changes will not be granted based solely on a phone call. A written notice is required and must be received in the office before **2:15 P.M.** if there is a change in your

child's transportation. If an emergency arises during the school day, parents must fax a written notification to the school requesting a change in transportation for that afternoon. The school fax number is. For safety reasons all changes require that the parent call the school before **2:15 P.M.** to verify that he or she sent the fax.

Tardiness & Check-In Procedures

A student is tardy to school when he/she is not in the appropriate classroom by 8:00 A.M. **Students arriving after 8:00 A.M. must be signed in by the adult who brought him or her to school.** For a tardy to be considered excused, the parent must present a note from a doctor, dentist, or court official. Excessive tardiness is considered truancy and will be treated as such. Students who are excessively tardy to school each nine weeks may be subject to a **suspension pending a parent conference.**

Check-Out Procedures

NO CHECK-OUTS AFTER 2:30 PM

Once at school, the student is expected to remain the entire day except in extreme emergencies. Occasionally circumstances occur in which a child needs to leave school early. These circumstances, however, should be the exception, not the rule. Therefore, we ask that all medical and dental appointments be scheduled after school hours and on Saturdays when possible. As parents, you have the right to check your child out of school when necessary. As school officials, we have the obligation and authority to keep your child in school when necessary. Bearing this in mind, your rights will not be questioned unless checkouts become excessive. You may be required, at that time, to provide a doctor's excuse for each subsequent occurrence. If a student needs to be checked out of school, the parent must make a written request in the school office. Students checked-out before **12:00 P.M.** will be counted absent. Also, students who check-in after 12:00 P.M. will be marked absent. For safety reasons, your child will only be released to the people whose names are listed on the registration form. ID will be required. If you need to check your child out early, please check him or her out before 2:30 P.M.

Breakfast will be served from **7:20 A.M. – 7:55 A.M.** The **“cut off” for breakfast is 7:55 A.M.** If a student is late to school due to problems with the bus, then the child will be allowed extra time to eat breakfast. **If a child misses breakfast because a parent is running late, then it is the parent’s responsibility to provide the child with a meal.**

Students are allowed to bring beverages in a thermos or fruit drink boxes, but are not allowed to bring canned or bottled drinks. Unless instructed otherwise by the principal, all meals will be eaten in the cafeteria. Lunches may be paid for daily, weekly, or monthly. Free or Reduced Meals

Free and reduced meals are available for those who qualify. **Parents must reapply each year for these meals.** The application forms are available online and can be completed during registration or at home for your convenience. Students do not get free or reduced meals until the application has been approved; therefore, students applying for free or reduced meals must pay for their meals until their application for free or reduced meals has been approved. If your child arrives at school without lunch money, he/she will be provided with an alternate meal. To prevent your child being given an alternate meal, please ensure that you send money each day or preferably pay in advance.

If your check is returned by your bank, it will be automatically forwarded by the Phenix City Board of Education’s bank directly to **Envision** after the first presentation of the check. **Envision** will contact you in order to collect the face amount of the worthless check plus the state allowed collection fee. The amount of the collection fee is currently **\$30** in our state; however, this fee is subject to change as allowed by law. If you do not properly respond to **Envision** or if **Envision** is unable to contact you, **Envision** may re-present your check to the bank electronically along with applicable collection fees.

PUPIL PERSONNEL POLICIES

Attendance

Every student of compulsory age (under 17) is required to attend school each day. Alabama State Law makes parents or guardians responsible for making sure their children are in regular attendance. Since there is a high correlation between attendance and academic achievement, each student is encouraged to be regular in his/her attendance.

Early Warning Truancy Program

The Alabama compulsory attendance laws require children between the ages of 6-17 to attend school. The law also states that parents or guardians having control over school age children are responsible for the children's regular attendance and proper conduct. Parents and/or guardians must provide to the child's teacher a written explanation of each absence within three days after the child returns to school. If the parent or guardian fails to provide this information to the teacher, each child's absence will be recorded as unexcused or truant. Please be advised of the Early Warning Truancy Prevention Program which will again be in effect in the Phenix City Schools during the 2019-20 school year. The program was requested by the State Department of Education and the Administrative Office of Courts and has been approved by the Phenix City Board of Education.

The following procedures for handling truanancies shall be uniformly administered throughout the Phenix City Schools:

1. Once a child misses five (5) days of school for whatever reason students shall be cautioned about truancy and subsequent action which will be taken by the school and courts.
2. Once a child misses seven (7) days of school for whatever reason parents shall be notified by the school attendance clerk and/or school principal.
3. Once a child misses ten (10) days of school for whatever reason the parent/guardian or person having control of said child shall participate in the Early Warning Truancy Prevention Program provided by the Juvenile Court. Attendance at this conference shall be mandatory except where prior arrangements have been made or an emergency exists. Also, failure to appear at the Early Warning Truancy Prevention Program meeting may result in the filing of a complaint/petition for truancy against the child and/or parent/guardian, if appropriate.
4. **Once a child misses another day of school after attending an Early Warning Truancy Prevention Program Meeting and does not give a medical excuse a file complaint/petition against child or parent/guardian if appropriate (parent or guardian will go to Court).** If your student is referred to Early Warning, the parent/guardian and the child must attend. You will be required to meet with a truancy officer and he/she will explain consequences for failing to comply with the program. Once a student has been required to attend Early Warning, **only medical absences will be excused.** Parent notes are no longer acceptable. The court system and the Phenix City Board of Education realize this letter is not necessary for all parents because most of you make a great sacrifice to see that your children are in school every day and receive a good education. However, we must share this information with all parents in order to have an effective truancy prevention program. After an absence, a pupil must present to the homeroom teacher a written statement signed by the parent or guardian giving the reason for the absence in order for the absence to be excused. In compliance with Board policy, all absences are unexcused or illegal except: personal illness, death in the immediate family, emergency conditions declared by the superintendent special permission granted by the principal.

NOTE: Vacations and out-of-town trips are unexcused absences unless specifically approved in advance by the principal.

ATTENDANCE - PARENTAL RESPONSIBILITIES

Section 16-28-12 of the Code of Alabama 1975 establishes responsibilities of parents to ensure that their children enroll in and attend school and that their children conduct themselves properly. This act further states that parents who fail to require their children to attend school regularly or fail to require that their children properly conduct themselves shall be guilty of a misdemeanor and may receive a fine of not more than \$100 or 90 days in jail. It is the belief of the District Attorney of Russell County and the administration of Phenix City Schools that the responsibility for proper conduct and school attendance of children rests with the parents or guardians. In this regard, we fully support the intention of this legislative act. We are grateful for your efforts to ensure your children are in school and on time each day. We look forward to a great school year and appreciate your cooperation.

Perfect Attendance

Perfect Attendance Certificates will be awarded at the end of each nine-week grading period to those students have been neither absent nor tardy for any reason. Please remember that students who check out prior to 12:00 P.M. will be counted absent. Also, students who check-in after 12:00 P.M. will be counted absent.

Grading Scale

Evaluation will be based on a child's progress towards mastering state and local standards. The following grading scale will be used on report cards:

A Excellent Performance	(100-90)
B Good Performance	(89-80)
C Average Performance	(79-70)
D Improvement Needed	(69-60)
F Little or no effort made	(59-0)

Grade Weights Reading & Math

(Percentage of overall grade)

Tests – 65% of grade

Classwork – 25% of grade

Homework – 10% of grade

Note: If a student makes passing grades on all classwork and homework but fails the TESTS for a subject/class he or she is likely to fail the subject/class. Failing grades are any score of 59/F and below.

Honor Roll/ Awards

The Honor Roll is published at the end of each nine-week grading period for students who make “A” and “A/B” Honor Roll during the grading period. These students will also be recognized during an Honor Roll Assembly at the end of each nine week grading period. Dates for Honor Roll Assemblies will be announced a week prior to the event.

Students will be recognized for Perfect Attendance for each nine weeks. **(See Perfect Attendance guidelines above.)** Other awards and recognitions, such as but not limited to Accelerated Reader and Good Citizenship, *may* be given out by the classroom teacher, principal, or other club/event sponsors.

Homework

Homework is assigned by the teachers as a means of skill practice and reinforcement for the student. Every student is responsible for assignments and is expected to complete them as directed. Homework accounts for 10% of the student’s overall grade. Assignments turned in late without teacher approval will receive a lower grade.

Promotion/Retention District Policy

The Phenix City Board of Education realizes that it is necessary to make decisions concerning promotion and retention. These decisions must be made based on the best interests of the students. As early as possible in the school year, teachers must make their concerns known to the principal or his/her designee. Once this is done, the procedures outlined below will be followed for students in grades K-8.

General

The establishment of these Promotion/Retention guidelines is to assure that all students are promoted or retained following the same process. Generally, students in grades Kindergarten through five should not be retained more than once except under unusual circumstances. A student may be **placed** in the next grade with consideration being given to the following: chronological age, physical and emotional maturity, behavior and other factors that may affect the student or classmates.

Academic Concerns

1. Evidence of academic performance for any student who is failing or performing below grade level should be presented to the Problem Solving Team (PST) by his or her teacher for the purpose of intervention. The PST will develop, with the teacher, an intervention plan with specific strategies and timelines for improvement.
2. The teacher will notify the parent of the PST meeting to solicit input and support.
3. The teacher will maintain a documentation file on each student with an intervention plan.
4. The teacher shall present the results of the intervention plan to the PST and the parent as outlined in the plan.

Reports

1. Progress reports will be distributed to all parents at the end of four (4) weeks during each quarter. The report card will be distributed to all parents at the end of each nine weeks. Formal conferences will be held with parents at the end of the first nine weeks and the third nine weeks. However, conferences may be held at any time as requested by the teacher or parent.
2. Standardized test results will be given to parents at the opening of school as made available by the Alabama State Department of Education.

Special Education

An Individualized Education Program (IEP) for a disabled student will establish standards for promotion or retention. Special Education students who are receiving instruction in a regular classroom for a particular subject will be evaluated in that subject according to the same standards as regular students and will be required to meet promotion standards in that subject unless otherwise specified in the student’s IEP.

If a student is receiving all academic instruction in the Special Education classroom or is receiving instruction in a subject in both the regular and special education classrooms, the IEP developed by the committee will govern promotion.

Conclusion

The decision concerning retention should be made prior to the end of the current school year and parents/guardians must be notified. The principal should submit a list of retained students (by grade level) to the Superintendent or his/her designee by the last day of school.

5.26 STUDENT PROMOTION AND RETENTION

No student, grades K-5, will be recommended for retention unless his/her case has been presented to the school problem solving team. Promotion or retention decisions for students who transfer into the system after the beginning of the final quarter of the school year will be made on a case-by-case basis using available grades, standardized test results, and other assessments.

Grades K-6: The process of making decisions as to promotion and retention of elementary students should take into consideration a variety of factors including age, maturity, motor coordination, capacity for learning, and academic progress. The determination process should involve the principal and teacher(s) with the authority for determining promotion and retention resting entirely with the teacher(s) and principal, except that a kindergarten student may be retained only upon approval/agreement of the student's parent(s) or guardian(s). If a student needs to be retained based on the teacher's professional judgment of the student's academic performance and/or other factors, the parent(s) or guardian(s) of that student would be informed as early in the school year as possible. In all cases, the decision of whether a student should be promoted or retained shall be made on the basis of which grade placement provides the student a better chance of progressing in his/her educational development. **Passing reading and math, in the respective grade levels (1-6) is required for promotion** to the next grade. Successful completion of an approved summer school program after retention in a grade level may make the student eligible for promotion in the subsequent school year.

Special Education Students: Promotion of any student in a special education program, with the exception of gifted students, must be based on his/her accomplishments of goals stated in the IEP in conjunction with all other regular program requirements. However, a special education student (except gifted) may not be placed at any grade level unless the student has attended school for a commensurate number of years equal to the proposed grade placement; i.e., for a special education student to be placed at the sixth (6th) grade level, he/she must have been enrolled in school for at least five (5) years. **Reference(s): Code of Alabama 16-11-9**

Attendance

A student who has excessive unexcused absences, ten (10) during each semester, may be a candidate for retention. The principal and the teacher(s) will render the decision based on the attendance data and academic performance. Students who are absent for three consecutive days will be called by school personnel. If attendance continues to be a problem, the student's home may be visited by the Parent Involvement Specialist or the Attendance Officer.

For a first offense, the device will be returned to the student at the end of the day to be taken home. After the first offense, all subsequent offenses will require the parent to retrieve the device from the school. If this is a repeated occurrence with any one student, further disciplinary action will be taken.

Meadowlane Elementary supports the use of cell phones and other electronic devices under the supervision of the classroom teacher. Students in grades K-2 should not transport devices in the hallway, restroom, cafeteria, to another classroom under no circumstances.**

Care of Personal Property: All students must take care of their personal items such as money, purses, wallets, coats, pens, pencils, notebooks, glasses, digital devices or any other items deemed as personal. **The school is not responsible for lost or stolen items.** You may check the lost and found department if you lose something. Students are encouraged not to lend personal items such as watches, rings, money, clothing, etc., to other students. Notification Regarding Asbestos-Containing Material (Public Law 99-519)

The United States Environmental Agency has established regulations regarding asbestos-containing materials in school buildings. These regulations (Public Law 99-519) require certain action to occur in response to any asbestos containing material found in our schools. The Phenix City Board of Education has had an asbestos management program in place for several years. The Phenix City Board of Education had a re-inspection performed at all of their facilities in compliance with these regulations, and an asbestos management plan was developed. The plan describes in detail how any asbestos will be minimized. Students, parents, teachers, and others are invited to review this plan available in the principal or director’s office. Should you have any questions or desire further information, please contact the principal.

3.43 PROHIBITION OF SEXUAL HARASSMENT: The Phenix City Board of Education prohibits harassment against any employee, applicant for employment, student, or student applicant based upon race, color, religion, gender, age, ethnicity, national origin, marital status, disability, political or religious beliefs, or social and family background. This policy also applies to non-employment volunteers who work subject to the control of school authorities. The Superintendent shall develop procedures which shall be used by persons alleging harassment. **Sexual Harassment by Students:** Sexual harassment is specifically prohibited by state and federal law and instances of harassment may result in both civil and criminal liability on the part of the individual harasser as well as the Phenix City Board of Education.

Definition: Sexual harassment consists of unwelcomed sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature, wherever such harassment occurs on school property or at a school-sponsored event, that is aimed at coercing an unwilling person into a sexual relationship whether or not it involves physical contact, or that substantially interferes with a student’s academic performance, or creates an intimidating, hostile, or offensive school environment.

Examples of sexual harassment may include but are not limited to the following: • Verbal harassment or abuse of a sexual nature; • Subtle pressure for sexual activity; • Repeated remarks to a person with sexual or demeaning implications, e.g., a person's body, clothes or sexual activity; • Unwelcomed or inappropriate physical contact such as patting, pinching, or unnecessary touching; • Suggesting or demanding sexual involvement accompanied by implied or explicit threats; • Display of sexually suggestive objects, pictures, or written materials; Sexual harassment does not refer to occasional compliments or welcomed interactions of a socially acceptable nature.

Specific Prohibition: It is sexual harassment for a student to subject another student or a school employee to any unwelcomed conduct of a sexual nature on school property or at a school-sponsored event. Students who engage in such conduct shall be subject to disciplinary consequences described in the Code of Student Conduct and/or consequences prescribed by law.

Procedures: Any student who alleges sexual harassment by an employee or another student should report the harassment to the building principal, assistant principal(s), guidance counselors or school system Title IX Coordinator. Filing of a complaint or otherwise reporting sexual harassment will not affect the student's status, extracurricular activities, grade or any other assignments. The complaint should be in writing, state the act or acts, state the date(s), state the names of witnesses, and be signed by the complainant. The right to confidentiality, both of the complainant and of the accused, will be respected, consistent with the Board's legal obligations and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred. In determining whether alleged conduct constitutes sexual harassment, the totality of the circumstances, nature of the conduct and the context in which the alleged conduct occurred will be investigated. The Superintendent or designee has the responsibility of investigating and resolving complaints of sexual harassment. Penalties: A substantiated sexual harassment charge against a student shall subject that student to disciplinary action consistent with the Code of Student Conduct. When appropriate, law enforcement or Department of Human Resources (DHR) referrals shall be made.

Student Behavior & Discipline

While at Meadowlane Elementary School and when being transported by bus, students are expected to behave in an appropriate manner and exercise self-control. Teachers manage their classrooms under guidelines of their classroom management plan. Individual teachers will advise students of class rules and consequences for rule violations as well as rewards for appropriate behavior. Any discipline problem, or accumulation of problems, that a teacher considers serious will be reported to the administration in writing. It is the administrator's main concern that teachers are allowed to teach and students are allowed to learn in a safe and orderly environment. Strategies for dealing with inappropriate behavior may include counseling, parent contact, detention, corporal punishment, out of school suspension, or alternative placement. (Please see the Phenix City Public School's Code of Student Conduct). Class II and Class III offenses, as defined in the Phenix City Schools Code of Conduct, will be referred immediately to an administrator. Class I disciplinary offenses (with the exception of dress code violations and unauthorized electronic devices) will be handled by the classroom teacher using the following progressive behavioral management plan:

Meadowlane Elementary School Wide Rules:

- Follow directions the first time that they are given
- Keep, hands feet and other objects to yourself
- Obtain permission before speaking or leaving your seat
- Display self-control in actions and speech
- Student must show respect for teachers and those in authority

Progressive Discipline Model:

Parents must be informed and students will be allowed at least 24 hours to arrange for transportation. The teacher will be expected to inform the office of the detention and is also to supervise his/her own detentions unless arrangements have been made with other staff or the principal. ***Students who fail to complete this penalty in a timely fashion will receive additional consequences including loss of outside fun time, additional detention time, or in-school suspension.***

Office Referrals

Students referred to the office for misbehavior, dress code violations, bus referrals, etc. will receive disciplinary action. Any student who receives two or more office referrals within a designated period of time (usually within a nine-week period) will be excluded from all extracurricular activities, reward assemblies, field trips, award banquets, etc. during that designated time period.

Fighting

The principal will determine whether or not an altercation between two or more students will be classified as fighting. Whether the fight occurs at school, on the bus, or at the bus stop, any student whom the principal determines has been fighting will be suspended out of school and will lose all privileges for special events regardless of the number of times he or she has been referred to the office within the nine-week period.

Suspension Policy

When a student misses school due to suspension from school, all missed work may be made up by the student and will be offered by the teacher. The teacher will tell the student when the work is due. A zero is given for work not completed

within the time allowed. All work will be graded in a manner consistent with the same work given to all other students in class. Students suspended from school are counted absent and do not qualify for perfect attendance. Absences due to being suspended are excused absences.

5.30.1 CORPORAL PUNISHMENT: To maintain discipline or to enforce Phenix City School System rules, the principal or his/her designee may administer corporal punishment (paddling). Such punishment should never be in the presence of other students. A parent or guardian may make a written request that a student be exempted from corporal punishment and that an alternative punishment be assigned. The procedures listed below must be followed to guarantee proper and legally required due process on behalf of the student. The student must have been informed previously that his/her behavior could bring about the use of corporal punishment. Prior to corporal punishment, initial efforts and/or alternative methods should be taken in an attempt to modify the student's behavior. The administration of corporal punishment must occur in the presence of another professionally certified Phenix City school official, but only after: 1. The school official is informed about the reason for punishment in the presence of the student; 2. The student is given the opportunity to defend his/her position; and, 3. It has been determined that the instrument to be used to implement corporal punishment is appropriate for the aged and physical size of the student being punished. Discipline of a student with disabilities shall be determined on a case-by-case basis in accordance with the requirements of the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act, and the student's Individualized Education Plan (IEP). Reference(s): Code of Alabama 16-11-9; Alabama Legislative Act 2009-571

Student Dress Code

Student Dress Code: A student's school clothes will consist of clothing that is neat, clean and appropriate for school. (Appropriate refers to clothing that covers the body sufficiently enough not to cause undue attention of school officials and/or other students). Clothing must not be exaggerated to the point that it distracts from the educational endeavors of the school. In general, students are expected to abide by the following guidelines:

- Clothing shall be appropriate and decent.
- Clothing will be worn as it was intended.

This includes field trips, special guest appearances, ball games, movies, parties, dances, etc. It will be up to the sole discretion of the child's teacher and the school administration as to whether or not a student's behavior warrants exclusion from these events.

SECLUSION AND RESTRAINT

The use of physical restraint is prohibited in the Phenix City School System and its educational programs except in those situations in which the student is an immediate danger to himself or others and the student is not responsive to less intensive behavioral interventions including verbal directives or other de-escalation techniques. Physical restraint is expressly prohibited when used as a form of discipline or punishment. The use of other physical restraint, chemical restraint, mechanical restraint, or seclusion is prohibited in the Phenix City School System and its educational programs.

Staff Training

1. All school personnel will be trained on de-escalation techniques and positive behavior strategies.
2. Members of each school's Crisis Management Team will be trained on appropriate restraint techniques to use during crisis situations.

Parent Notification

Written notification will be provided to parents when physical restraint is used to restrain their student. This written notice will be provided within a reasonable time not to exceed one school day from the use of restraint.

Bus Conduct and Procedures

While the Phenix City Board of Education offers, as needed, a system of pupil transportation, it also requires parents of students to accept responsibility of supervision until such time as the student boards the bus in the morning and after the student leaves the bus at the end of the school day. Once a student boards the bus, he becomes the responsibility of the Phenix City Public Schools. Such responsibility shall end when the student is discharged at the regular bus stop at the close of the school day. Since the bus is an extension of the classroom, the Board shall require students to conduct themselves on the bus in a manner consistent with established policies of the Phenix City Board of Education regarding discipline. When a student does not conduct himself properly on a bus, the bus driver shall bring such instances to the attention of the building principal. The building principal shall inform the parents immediately of the misconduct and request their cooperation in controlling the student's behavior. Students receiving a bus referral will be disciplined according to the following manner:

- A. 1st referral: Warning conference with student; bus referral note sent home with student
- B. 2nd referral: 5 day bus suspension
- C. 3rd referral: 10 day bus suspension
- D. 4th referral: 20 day bus suspension
- E. 5th referral: 9 week bus suspension
- F. Subsequent referrals may result in loss of bus privileges for the semester or for the rest of the school year.

Pupils who violate the rules may be placed on immediate suspension from the bus. In some cases, the police/authorities may be notified for possible legal action. Students who vandalize or damage buses will be charged for repairs. Students will not be permitted to ride any bus until all damages are paid in full. When students are suspended or lose bus privileges, it shall be the parent's responsibility to get the student to and from school. Students may not ride a different bus.

Parental Involvement

Parental Involvement Policy

Research shows that parent and family involvement increases student achievement and success. In order to support and promote essential parent involvement, we provide opportunities for parent involvement in the following ways:

Parents Advisory Committee

The **Parents Advisory Committee** is designed to acquaint the parents with the faculty and administration as well as to improve conditions for education in Phenix City. We urge all parents to join the **Parents Advisory Committee** at the beginning of the school year and to attend all meetings. This is the only way the administration can learn your desires regarding our education system and we can work collaboratively to improve our school. More information regarding the meeting dates for Parents Advisory Committee Meetings.

Communication

We work to ensure communication between the home and school is regular, two-way and meaningful. Communication is fostered through the use of newsletters, report cards, progress reports, parent-teacher conferences, parent/teacher communication folders, student handbooks, email, websites, Facebook page, documented phone calls, school call out system, etc.

Parenting

We help promote and support responsible parenting activities. Activities are planned for parents throughout the school year. There are parenting workshops, and special events for parents to observe activities at the school during the school day, family feel welcome and all attempts are made to remove barriers such as cultural and language differences. The MES Parent Work Room is open every day for the parents, to access the internet as well as collect information pertaining to our school.

Student Learning

We strive to connect parents to their children's learning by giving them information on how they can help in the learning process. Sharing is provided on specific projects, grade level expectations, homework, and classroom website.

Volunteering

We welcome parents in the school and seek their support and assistance. We offer a welcoming climate, parents are given opportunities to volunteer during and outside regular school hours and a volunteer appreciation event is held for parents.

School Decision Making

We ensure parents are full partners in the decisions that affect their children and families. Parents are included in decision making process regarding educational issues and parents participate in the development of the school improvement plan.

Collaborating with the Community

We strive to utilize community resources available to strengthen our school programs, family involvement and student learning. Partnerships are developed with businesses and agencies, while student participation is fostered in community service.

Parent Information

Visiting During the School Day

During the school day, we act as your child's parent/guardian with our primary goals being instruction and maintaining an orderly and safe learning environment for all students. We welcome and appreciate parental involvement in our school; however, it is distracting to students and teachers for parents to make lengthy visitations to their classrooms. Therefore, to facilitate our goals for instruction and orderliness, please do the following: sign in and obtain a visitor's pass from the school office and enter the classroom quietly and remain quiet during the entire visit.

Folders – Take Home: Take Home Folders will be sent home every day. These folders are a strong communication instrument between school and home. Folders might include the following:

- Weekly homework calendar
- Student work
- Academic report
- Behavioral report
- Weekly newsletter from the teacher or team
- Notes from the principal
- Calendar of school events
- Other school information

Email

You may e-mail your child's teacher at any time. In most cases, the teacher's email address will be his or her first initial and last name followed by @pcboe.net. There are no spaces in the address, and it is all lower case. In some instances, the teacher's email address will not follow this format. It is advisable to ask your child's teacher for his or her correct email address. Parents are asked to provide teachers with email addresses. Hard copies of information from the teachers or the administration are sent home, but they may also be emailed to all parents who request email information.

The web page, Facebook and Twitter are great ways for you to receive current information about activities at Meadowlane Elementary. We will also include photos of activities and some student artwork. The inclusion of a student's photo and/or his or her work will be determined by the parent's response to the Phenix City Board of Education's Internet Acceptable Use Policy completed by the parent during registration. These media outlets will be used to share **POSITIVE** things about Meadowlane Elementary.

Lost and Found

Students who have lost items should inquire about the items before school and after school. Speak with the custodians, the classroom teacher, and the P.E. coaches about missing items. Any items not claimed by the end of each quarter will be given to the clothing bank or other agencies.

Contact Information & Telephone Usage

Parents should make a habit of automatically informing the school of new telephone numbers or addresses. These are important especially in the case of an emergency. Phone numbers are used by our mass communication system to call and/or text parents about upcoming events, report cards, etc. **NO** students will be called to the office to receive telephone calls. In the event of an emergency, office personnel will make necessary calls. **Plans for after school should be made prior to leaving home each morning.**

Conferences

Conferences are the best way to learn how a child is doing in school. Your child's teacher, as needed, will schedule conferences. Parents or guardians may call and request a conference at any time. The best time to schedule a conference is before or after school or during the teacher's planning period. In an effort to allow the school principal to be visible to students during daily arrival and dismissal times, most conferences with the school principal will be scheduled between the hours of 8:30 and 1:45 P.M. Some conferences with the principal may be scheduled before 8:00 A.M. or after 3:00 P.M.

Chalkable Parent Portal

You may access your child's school information through the Chalkable Parent Portal. You will be able to monitor your child's grades, attendance, and discipline entries. Please ask your child's teacher or the office if you need assistance with the Chalkable parent portal.

Transportation Web Query

To find out information about bus service to your area, please visit the Transportation Web Query site on the Internet. To access the site, go to <http://www.pcboe.net> and click on the Bus Icon in the middle of the page. This shortcut will take you to a screen where you can type in your address and your child's grade. A screen will come up that provides you with information about your child's bus route.

Parties at School/Flowers, Gifts, and Balloons

No parties may be held at the school without the permission of the principal. Note: If permission is granted by the principal for parents to bring cupcakes or other items, the teacher *must be notified and must agree* to the date and time for cupcakes to be shared. In order to maintain the integrity of the school instructional program, the delivery of flowers, gifts, balloons, etc. to students at school is prohibited by the Phenix City Board Policy. Students are not allowed to travel on the school bus with balloons, flowers or gifts for safety reasons.

All visitors are required to report first to the office and obtain a visitor's pass before going to any other part of the school. The principal is responsible for protecting instructional time and the welfare of students. Office personnel should be aware of the purpose of any visit. If at all possible, visits should be prearranged. Principals are authorized to take the necessary steps in dealing with unauthorized visitors.

Emergency Plans and Procedures for Students

Tornado, fire, intruder, and shelter in place drills are conducted periodically in the school. Students are taught at the beginning of school what to do in each situation. Any parent wishing to observe or participate in a drill should express this wish to the school principal. Parents are requested not to check students out when the school is under emergency warning. Standard emergency procedures will be followed. Parents should seek safe shelter themselves. Please do not call the school during emergency warnings. The phone line must stay clear. The school follows a normal schedule under "watch" conditions.

Student Services

Title I

Meadowlane Elementary School receives Title I funds from the federal government each year. The funds are to be used to support instruction, primarily in the areas of reading and math. Specific details on how this federal money is used each year can be found in the school's Continuous Improvement Plan (CIP). A copy of this document can be accessed in the principal's office, the library, or on the school's website at www.pcboe.net/mes.

Guidance & Counseling

Guidance and counseling services are available to all students. The aim of the program is to help students grow toward a more meaningful and satisfying life both in and out of school. Parents must sign the Permission to Counsel Form before counselors may work with students individually or in small groups.

Physical Education

Physical Education is part of the school curriculum. All children are expected to participate unless some physical disability prohibits it. If there are reasons a child cannot participate, the school should be notified in **writing**, stating the nature of the disability and the number of days to be in effect. Parents cannot request that a child be kept out of PE for more than one day. IF A CHILD CANNOT PARTICIPATE TWO OR MORE CONSECUTIVE DAYS, A DOCTOR'S EXCUSE MUST BE SENT which states the nature of the disability and the number of days to be in effect. The student will return to PE when the dates stated on the doctor's excuse have expired. Appropriate shoes and clothes should be worn to school for proper participation in P.E.

Textbooks

Textbooks are furnished to all students. Teachers assign textbooks to students, and students are responsible for the care of books issued. A portion of the Alabama Textbook Law reads - "the parent, guardian, or other person having custody of a child to whom textbooks are issued shall be held liable for any loss, abuse, or damage in excess of that which would result from the normal use of such textbook. If such parents or guardian or person having custody of such child to whom the textbook was issued fails to pay such assessed damages within 30 days after notification, such student shall not be entitled to further use of such textbooks until remittance of the amount of loss or damage shall be made."

Media Center/Library

The media center is open to students during normal school hours. Students may come individually or in groups as directed. Books on regular loan are checked out for a period of one week and may be renewed if desired. Only two books may be checked out at a time. A fine of 5 cents per day will be charged for overdue books. Students must pay for any library book that is lost or damaged. If necessary, reference books can be checked out after school, but they must be returned the next morning.

Media Center/Library

1. Students are expected to return books by the date due. No late fines are charged at Meadowlane Elementary. Students are personally contacted about overdue books. If this procedure fails to get the book returned, the child's parents are notified by letter and asked either to return the book or pay for it.
2. Damaged books will be paid for according to the extent of the damage.
3. Lost books must be reported to the librarian at once. All lost books must be paid for if not found and returned. If a book is found within the same school year of being paid for, the student will be refunded the amount paid.

Field Trips

Field trips are scheduled throughout the year to enhance student learning and implement "hands-on-minds-on" educational experiences. To attend field trips, students must have a written permission from a parent or guardian and the trip may require a cost. Permission forms turned in after due date may result in the student not being able to attend the event. Any student with excessive and/or disciplinary infractions or with excessive absences or tardies may be denied the privilege of participating in field trips, or may participate only if accompanied by a parent/guardian at the discretion of the teacher or principal. Refunds will NOT be given for fieldtrips.

No Child Left Behind

In accordance with Phenix City Board of Education policy, this school will provide a free and appropriate public education to the following groups: homeless, migratory, neglected and delinquent students. This policy dictates that enrollment will be provided pending removal of any and all barriers to the same free and appropriate public education.

Early Intervention and Special Education Services work closely with community service agencies, parents, and local school systems to locate children with disabilities. Child Find helps the child, the family, and the provider to plan appropriate services and link families to services for students meeting eligibility requirements in the following disability areas:

- Hearing Impairment
- Multiple Disabilities
- Emotional Disability
- Specific Learning Disabilities
- Developmental Delay
- Deaf-Blindness
- Orthopedic Impairment
- Speech and Language Impairment
- Autism
- Intellectual Disability
- Other Health Impairment
- Visual Impairment
- Traumatic Brain Injury

For more information about Child Find for children ages 3 – 21, contact the Phenix City Board of Education’s Special Education Department at 334-298-0534.

Special Education Services Individuals with Disabilities Education Act (IDEA)

Students identified by school system personnel as qualifying for special education services receive those services in the least restrictive environment for the individual student. Services are primarily delivered through inclusion in the regular education classroom and/or the resource room as outlined in the student’s Individual Education Plan. A certified and highly qualified faculty member works closely with the student’s classroom teacher to deliver instruction. The special education teacher (case manager) oversees the implementation of the Individual Education Plan (IEP) for students identified as being in need of special education services and is the primary contact for issues related to the student’s IEP.

English Learner Program (EL)

The English Learner (EL) program emphasizes mastery of English language skills and content area concepts for students who do not speak English as their primary language and may have limited English proficiency (LEP). This program enables the student to participate effectively in the regular academic program. Additional information and a copy of the EL Program guidelines may be obtained from the Phenix City Public Schools Federal Programs Department; Dr. Darrell Seldon, Assistant Superintendent.

Gifted Education Referrals

Gifted students are those who perform at or who have demonstrated the potential to perform at high levels in academic or creative fields when compared to others of their age, experience, or environment. These students require services not ordinarily provided by the regular school program. Students possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor. Teachers, counselors, administrators, parents or guardians, peers, self, or any other individuals with knowledge of the student’s abilities may refer a student. Additionally, all second

grade students will be observed as potential gifted referrals using a gifted behavior checklist.

For each student referred, information is gathered in the areas of Aptitude, Characteristics, and Performance. The information is entered on a matrix where points are assigned according to established criteria. The total number of points earned determines if the student qualifies for gifted services. To make a referral, contact the principal, counselor, or Gifted Specialist at your child's school.

Problem Solving Team (Response to Instruction) (Rti)

This team is a designated school-based committee designed to meet the needs of general education at-risk students that is composed of regular education teachers, administrators, counselors, and others as needed. This committee addresses discipline, drop out, academic, and behavioral student challenges. It also provides immediate support and progress monitoring when addressing classroom concerns.

Section 504 of the Rehabilitation Act of 1973

Section 504 is a national law that protects qualified individuals from discrimination based on their disability. The Phenix City Board of Education employs formalized procedures and guidelines to insure that our school district is in compliance. Section 504 protects persons with a physical or mental impairment which substantially limits one or more major life activity, including but not limited to, caring for one's self, walking, seeing, hearing, speaking, breathing, performing manual tasks, learning, communicating, concentrating, and reading. Additional information, eligibility requirements, and a copy of the Section 504 guidelines may be obtained from the Phenix City Public Schools Special Services Department.

This act, which amends 16-288-8 of the Code of Alabama 1975, includes prevention of harassment and violence.

Students are expected and required to (1) comply with the requirements of the law, policy, regulation, and rules prohibiting harassment, violence, or intimidation and (2) to comply with the system's prevention strategies related to suicide prevention, intervention, and postvention support. Any person involved in a cause of action or omission resulting from the implementation of this suicide prevention policy or resulting from any training, or lack thereof, required by this section, shall be subject to state immunity law. *Reference: PCBOE Board Policy 3.47*

Title IX (Equal Opportunity)

It is the policy of the Phenix City Board of Education that no person shall be denied employment, be excluded from participation in, be denied the benefits of, or subjected to discrimination in any program or activity of Phenix City Public Schools on the basis of sex, race, religion, belief, national origin, or ethnic group. Additional information and a copy of the Title IX guidelines may be obtained from the Phenix City Public Schools Students Services Department; Mr. Joe Blevins, Assistant Superintendent.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. Parents are guaranteed the right to inspect and review the educational records of their

children. Personally identifiable records can be released either with prior parental consent or to an official with legitimate educational interest.

1. Comply with the requirements of law, policy, regulation, and rules prohibiting harassment, violence, or intimidation;
2. Refrain from inflicting or threatening to inflict violence, injury, or damage to the person or property of another student; and
3. Refrain from placing another student in fear of being subjected to violence, injury, or damage when such actions or threats are reasonably perceived as being motivated by any personal characteristic of the student that is identified in this policy.

Students who violate this policy are subject to a series of graduated disciplinary actions as outlined in the Code of Student Conduct, and/or consequences established by law, or any rule or standard adopted under authority of this policy.

Any confirmed acts of reprisal or retaliation will be subject to disciplinary action. A student who deliberately, recklessly, and falsely accuses another student of a violation of this policy is subject to disciplinary action.
