HALEY WILSON EXPLODES TO 2 NEW MILESPLIT NATIONAL RANKINGS

Central High Schools' Haley Wilson continues to help raise the bar for the state of Alabama and national athletics. Haley, a Central High School varsity track athlete, exploded to new heights at the Last Chance Invitational Track Meet in Birmingham, Alabama on Saturday. Her outstanding performance in the 800-meter run has placed her in an elite group in her class in the nation. Her time of 2:24.23 has her ranked by milesplit.com as being ranked number 3 in the nation among 8th graders, who compete as varsity athletes. Although the middle school and varsity eight graders have separate rankings she has the 3rd fastest time in the nation for all eighth graders. Haley is also ranked in the United States as number 12 in the 400 meters for varsity 8th graders. Entering the AHSAA State Track Championship this weekend, Haley ranked 9th in 7A Alabama and 13th in all classes at 800 meters.
