This year will be filled with high expectations for learning and growing academically, socially and emotionally. We anticipate an awesome year as we continue to be wild about learning and roar with each success!

Meadowlane Elementary was one of two schools recognized by the Alabama Department of Education to earn the prestigious title of National ESEA Distinguished School. **Meadowlane Elementary School is the recipient of the Distinguished School award for 2019 in the category of “Closing the Achievement Gap Between Student Groups.**

The National Association of ESEA State Program Administrators (NAESPA)—formerly the National Title I Association—has been selecting examples of superior, federally funded school programs for national recognition through the National ESEA Distinguished Schools program (recently renamed from its predecessor, the National Title I Distinguished Schools program) since 1996. These schools demonstrate a wide array of strengths, including team approaches to teaching and learning, focused professional development opportunities for staff, individualized programs for student success and strong partnerships between the school, parents, and the community.

In order to be eligible for Category 2, schools must meet the following criteria: Title I School, poverty rate of at least 90% or greater, overall growth rate of 90% or greater with a growth rate of 65% or greater in categories III and IV (combined reading and math)

This handbook has been developed as a guide for a successful year. We encourage you to take the time to review each section of this handbook. Primarily, this handbook provides basic information you will need to know in order to function as a **Meadowlane Elementary Academic Scholar**. At MES, we desire the best of every child, and we are looking forward to partnering with you to help our scholars be the very best!

It is our wish that you have an Awesome 2023-2024 school year! We encourage you to become involved in all aspects of the academic program. *Together as A Team We Can Achieve More!*

The Philosophy of Meadowlane Elementary

The Philosophy of Meadowlane Elementary School is founded on the belief that all children can learn and have the fundamental right to an environment conducive to the best possible education. Communicating is essential to creating an environment where children can learn. Children learn best when there is an invested partnership between the home and school. Children should feel that their teacher and parent are supporting their academic efforts. The school must work closely with the parent to ensure the child is hearing the same message about his/her education. Educating a child is a full-time responsibility that does not end when the child leaves the school building. The school must listen carefully to the parent and the community stakeholders to understand expectations in the home as well as the community to ensure the parent and community share the vision, mission and goals of the school.

Strong relationships between the school, family and the community are essential to the academic success of all children. Education is a shared responsibility between the school, family, and the community, with the best results coming when all three are working together. Research indicates that the three most critical dynamics of school improvement are teaching and learning, school climate and family involvement. Therefore, the school must take the initiative in developing and sustaining effective partnerships because a well-planned visionary partnership is necessary for all children to succeed.

Academic rigor is at the heart of improving children's learning. Children learn best when they are actively involved in their own learning. They need opportunities to manipulate their environment, explore and be challenged with instruction that is rigorous, relative and connected to real world issues to enhance their academic success. The school, family and the community must set high standards for learning and those standards must be expected and communicated to all children. Teachers, administrators, parents and the community must share the belief of holding children accountable for hard work and the expectation to continuously improve their learning in order to get meaningful results that will last a lifetime. This belief must be consistently articulated and modeled by the administrator, teachers, parents and support staff.

Meadowlane Elementary will foster a school climate that is collaborative, focused on results to ensure children learn, committed to frequent and ongoing assessments of student performance and assessment methods that are aligned to instructional practices and applied in the classroom. This process will involve communication, research, goal setting, and on-going professional development with a clear focus on student learning. By working together, we can achieve more!

Meadowlane Elementary is accredited by the Southern Association of Colleges and Council on Accreditation and School Improvement and the Alabama State Department of Education.

All transportation changes must be received in the office by 12 PM the day before the route change is to go into effect. Check-Out Procedures

NO CHECK-OUTS AFTER 2:30 PM

Once at school, the student is expected to remain the entire day except in extreme emergencies. Occasionally circumstances occur in which a child needs to leave school early. As parents, you have the right to check your child out of school when necessary. As school officials, we have the obligation and authority to keep your child in school when necessary. Pupil Personnel Policies

Attendance

Every student of compulsory age (under 17) is required to attend school each day. Alabama State Law makes parents or guardians responsible for making sure their children are in regular attendance. Since there is a high correlation between attendance and academic achievement, each student is encouraged to be regular in his/her attendance. All excuses must be submitted via the Excuse for Absence site [Excuse for Absence Form](#).

Early Warning Truancy Program

The Alabama compulsory attendance laws require children between the ages of 6-17 to attend school. The law also states that parents or guardians having control over school age children are responsible for the children's regular attendance and proper conduct. Parents and/or guardians must provide to the child's teacher a written explanation of each absence within three days after the child returns to school. If the parent or guardian fails to provide this information to the teacher, each child's absence will be recorded as unexcused or truant. Please be advised of the Early Warning Truancy Prevention Program which will again be in effect in the Phenix City Schools during the 2021-2022 school year. The program was requested by the State Department of Education and the Administrative Office of Courts and has been approved by the Phenix City Board of Education.

The following procedures for handling truanancies shall be uniformly administered throughout the Phenix City Schools:

1. Once a child misses five (5) days of school for whatever reason students shall be cautioned about truancy and subsequent action which will be taken by the school and courts.
2. Once a child misses seven (7) days of school for whatever reason parents shall be notified by the school attendance clerk and/or school principal.
3. Once a child misses ten (10) days of school for whatever reason the parent/guardian or person having control of said child shall participate in the Early Warning Truancy Prevention Program provided by the Juvenile Court. Attendance at this conference shall be mandatory except where prior arrangements have been made or an emergency exists. Also, failure to appear at the Early Warning Truancy Prevention Program meeting may result in the filing of a complaint/petition for truancy against the child and/or parent/guardian, if appropriate.
4. **Once a child misses another day of school after attending an Early Warning Truancy Prevention Program Meeting and does not give a medical excuse a file complaint/petition against the child or parent/guardian if appropriate (parent or guardian will go to Court).** If your student is referred to Early Warning, the parent/guardian and the child must attend. You will be required to meet with a truancy officer and he/she will explain consequences for failing to comply with the program. Once a student has been required to attend Early Warning, **only medical absences will be excused.** Parent notes are no longer acceptable. The court system and the Phenix City Board of Education realize this letter is not necessary for all parents because most of you make a great sacrifice to see that your children are in school every day and receive a good education. However, we must share this information with all parents in order to have an effective truancy prevention program. After an absence, excuses for absences must be submitted via the Excuse for Absence site <https://fs27.formsite.com/mloreman/excuse/index.html> in order for the absence to be excused. In compliance with Board policy, all absences are unexcused or illegal except: personal illness, death in the immediate family, emergency conditions declared by the superintendent, special permission granted by the principal.
NOTE: Vacations and out-of-town trips are unexcused absences unless specifically approved in advance by the principal.

Attendance-Parental Responsibilities

Section 16-28-12 of the Code of Alabama 1975 establishes responsibilities of parents to ensure that their children enroll in and attend school and that their children conduct themselves properly. This act further states that parents who fail to require their children to attend school regularly or fail to require that their children properly conduct themselves shall be guilty of a misdemeanor and may receive a fine of not more than \$100 or 90 days in jail. It is the belief of the District Attorney of Russell County and the administration of Phenix City Schools that the responsibility for proper conduct and school attendance of children rests with the parents or guardians. In this regard, we fully support the

intention of this legislative act. We are grateful for your efforts to ensure your children are in school and on time each day. We look forward to a great school year and appreciate your cooperation.

Perfect Attendance

Perfect Attendance Certificates will be awarded at the end of each nine-week grading period to those students who have not been absent nor tardy for any reason. Please remember that students who check out prior to 12:00 P.M. will be counted absent. Also, students who check-in after 12:00 P.M. will be counted absent.

Grading Scale

Evaluation will be based on a child's progress towards mastering state and local standards. The following grading scale will be used on report cards:

A Excellent Performance	(100-90)
B Good Performance	(89-80)
C Average Performance	(79-70)
D Improvement Needed	(69-60)
F Little or no effort made	(59-0)

Grade Weights Reading & Math

(Percentage of overall grade)

Tests – 60% of grade

Classwork – 30% of grade

Homework – 10% of grade

Note: If a student makes passing grades on all classwork and homework but fails the TESTS for a subject/class he or she is likely to fail the subject/class. Failing grades are any score of 59/F and below.

Honor Roll/ Awards

The Honor Roll is published at the end of each nine-week grading period for students who make "A" and "A/B" Honor Roll during the grading period. These students will also be recognized during an Honor Roll Assembly at the end of each nine week grading period. Dates for Honor Roll Assemblies will be announced a week prior to the event.

Students will be recognized for Perfect Attendance for each nine weeks. **(See Perfect Attendance guidelines above.)** Other awards and recognitions, such as but not limited to Accelerated Reader and Good Citizenship, may be given out by the classroom teacher, principal, or other club/event sponsors.

Homework

Homework is assigned by the teachers as a means of skill practice and reinforcement for the student. Every student is responsible for assignments and is expected to complete them as directed. Homework accounts for 10% of the student's overall grade. Assignments turned in late without teacher approval will receive a lower grade.

Promotion/Retention District Policy

The Phenix City Board of Education realizes that it is necessary to make decisions concerning promotion and retention. These decisions must be made based on the best interests of the students. As early as possible in the school year, teachers must make their concerns known to the principal or his/her designee. Once this is done, the procedures outlined below will be followed for students in grades K-8.

Grade Change Procedures

The responsibility for assigning and changing grades typically rests with the teacher, who evaluates students based on their performance in accordance with established grading policies and procedures for Phenix City Schools. These procedures include formally requesting to change grades outside the set grade finalization periods. Those grades must then be manually corrected and stored on the student's historical grades page of the student information system. The designee manually updating grades will document changes as appropriate.

Per the Alabama Administrative Code (AAC), there may be exceptional circumstances where school administrators, such as principals or superintendents, have the authority to change grades. These circumstances could include errors, miscalculations, or other legitimate reasons but require proper documentation of requested grade change and adherence to established grade change procedures.

General

The establishment of these Promotion/Retention guidelines is to assure that all students are promoted or retained following the same process. Generally, students in grades Kindergarten through five should not be retained more than once except under unusual circumstances. A student may be **placed** in the next grade with consideration being given to the following: chronological age, physical and emotional maturity, behavior and other factors that may affect the student or classmates.

Academic Concerns

1. Evidence of academic performance for any student who is failing or performing below grade level should be presented to the Problem Solving Team (PST) by his or her teacher for the purpose of intervention. The PST will develop, with the teacher, an intervention plan with specific strategies and timelines for improvement.
2. The teacher will notify the parent of the PST meeting to solicit input and support.
3. The teacher will maintain a documentation file on each student with an intervention plan.
4. The teacher shall present the results of the intervention plan to the PST and the parent as outlined in the plan.

Reports

1. Progress reports will be distributed to all parents at the end of four (4) weeks during each quarter. The report card will be distributed to all parents at the end of each nine weeks. Formal conferences will be held with parents at the end of the first nine weeks and the third nine weeks. However, conferences may be held at any time as requested by the teacher or parent.
2. Standardized test results will be given to parents at the opening of school as made available by the Alabama State Department of Education.

Special Education

An Individualized Education Program (IEP) for a disabled student will establish standards for promotion or retention. Special Education students who are receiving instruction in a regular classroom for a particular subject will be evaluated in that subject according to the same standards as regular students and will be required to meet promotion standards in that subject unless otherwise specified in the student's IEP.

If a student is receiving all academic instruction in the Special Education classroom or is receiving instruction in a subject in both the regular and special education classrooms, the IEP developed by the committee will govern promotion.

Conclusion

The decision concerning retention should be made prior to the end of the current school year and parents/guardians must be notified. The principal should submit a list of retained students (by grade level) to the Superintendent or his/her designee by the last day of school.

5.26 STUDENT PROMOTION AND RETENTION

No student, grades K-5, will be recommended for retention unless his/her case has been presented to the school problem solving team. Promotion or retention decisions for students who transfer into the system after the beginning of the final quarter of the school year will be made on a case-by-case basis using available grades, standardized test results, and other assessments.

Grades K-6: The process of making decisions as to promotion and retention of elementary students should take into consideration a variety of factors including age, maturity, motor coordination, capacity for learning, and academic progress. The determination process should involve the principal and teacher(s) with the authority for determining promotion and retention resting entirely with the teacher(s) and principal, except that a kindergarten student may be retained only upon approval/agreement of the student's parent(s) or guardian(s). If a student needs to be retained based on the teacher's professional judgment of the student's academic performance and/or other factors, the parent(s) or guardian(s) of that student would be informed as early in the school year as possible. In all cases, the decision of whether a student should be promoted or retained shall be made on the basis of which grade placement provides the student a better chance of progressing in his/her educational development. **Passing reading and math**, in the respective grade levels **(1-6) is required for promotion** to the next grade. Successful completion of an approved summer school program after retention in a grade level may make the student eligible for promotion in the subsequent school year.

Special Education Students: Promotion of any student in a special education program, with the exception of gifted students, must be based on his/her accomplishments of goals stated in the IEP in conjunction with all other regular program requirements. However, a special education student (except gifted) may not be placed at any grade level unless the student has attended school for a commensurate number of years equal to the proposed grade placement; i.e., for a special education student to be placed at the sixth (6th) grade level, he/she must have been enrolled in school for at least five (5) years. **Reference(s): Code of Alabama 16-11-9**

Attendance

A student who has excessive unexcused absences, ten (10) during each semester, may be a candidate for retention. The principal and the teacher(s) will render the decision based on the attendance data and academic performance. Students who are absent for three consecutive days will be called by school personnel. If attendance continues to be a problem, the student's home may be visited by the Parent Involvement Specialist or the Attendance Officer.

Notification Regarding Asbestos-Containing Material (Public Law 99-519)

The United States Environmental Agency has established regulations regarding asbestos-containing materials in school buildings. These regulations (Public Law 99-519) require certain action to occur in response to any asbestos containing material found in our schools. The Phenix City Board of Education has had an asbestos management program in place for several years. The Phenix City Board of Education had a re-inspection performed at all of their facilities in compliance with these regulations, and an asbestos management plan was developed. The plan describes in detail how any asbestos will be minimized. Students, parents, teachers, and others are invited to review this plan available in the principal or director’s office. Should you have any questions or desire further information, please contact the principal.

3.43 PROHIBITION OF SEXUAL HARASSMENT: The Phenix City Board of Education prohibits harassment against any employee, applicant for employment, student, or student applicant based upon race, color, religion, gender, age, ethnicity, national origin, marital status, disability, political or religious beliefs, or social and family background. This policy also applies to non-employment volunteers who work subject to the control of school authorities. The Superintendent shall develop procedures which shall be used by persons alleging harassment. **Sexual Harassment by Students:** Sexual harassment is specifically prohibited by state and federal law and instances of harassment may result in both civil and criminal liability on the part of the individual harasser as well as the Phenix City Board of Education. **Definition:** Sexual harassment consists of unwelcomed sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature, wherever such harassment occurs on school property or at a school-sponsored event, that is aimed at coercing an unwilling person into a sexual relationship whether or not it involves physical contact, or that substantially interferes with a student’s academic performance, or creates an intimidating, hostile, or offensive school environment.

Examples of sexual harassment may include but are not limited to the following:

- Verbal harassment or abuse of a sexual nature;
- Subtle pressure for sexual activity;
- Repeated remarks to a person with sexual or demeaning implications, e.g., a person’s body, clothes or sexual activity;

- Display of sexually suggestive objects, pictures, or written materials; Sexual harassment does not refer to occasional compliments or welcomed interactions of a socially acceptable nature.

Specific Prohibition: It is sexual harassment for a student to subject another student or a school employee to any unwelcomed conduct of a sexual nature on school property or at a school-sponsored event. Students who engage in such conduct shall be subject to disciplinary consequences described in the Code of Student Conduct and/or consequences prescribed by law.

Procedures: Any student who alleges sexual harassment by an employee or another student should report the harassment to the building principal, assistant principal(s), guidance counselors or school system Title IX Coordinator. Filing of a complaint or otherwise reporting sexual harassment will not affect the student's status, extracurricular activities, grade or any other assignments. The complaint should be in writing, state the act or acts, state the date(s), state the names of witnesses, and be signed by the complainant. The right to confidentiality, both of the complainant and of the accused, will be respected, consistent with the Board's legal obligations and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred. In determining whether alleged conduct constitutes sexual harassment, the totality of the circumstances, nature of the conduct and the context in which the alleged conduct occurred will be investigated. The Superintendent or designee has the responsibility of investigating and resolving complaints of sexual harassment. Penalties: A substantiated sexual harassment charge against a student shall subject that student to disciplinary action consistent with the Code of Student Conduct. When appropriate, law enforcement or Department of Human Resources (DHR) referrals shall be made.

Student Behavior & Discipline

While at Meadowlane Elementary School and when being transported by bus, students are expected to behave in an appropriate manner and exercise self-control. Teachers manage their classrooms under guidelines of their classroom management plan. Individual teachers will advise students of class rules and consequences for rule violations as well as rewards for appropriate behavior. Any discipline problem, or accumulation of problems, that a teacher considers serious will be reported to the administration in writing. It is the administrator's main concern that teachers are allowed to teach and students are allowed to learn in a safe and orderly environment. Strategies for dealing with inappropriate behavior may include counseling, parent contact, detention, corporal punishment, out of school suspension, or alternative placement. (Please see the Phenix City Public School's Code of Student Conduct). Class II and Class III offenses, as defined in the Phenix City Schools Code of Conduct, will be referred immediately to an administrator. Class I disciplinary offenses (with the exception of dress code violations and unauthorized electronic devices) will be handled by the classroom teacher using the following progressive behavioral management plan:

- **Meadowlane Elementary School Wide Rules:**
 - Follow directions the first time that they are given
 - Keep hands feet and other objects to yourself
 - Obtain permission before speaking or leaving your seat
 - Display self-control in actions and speech
 - Student must show respect for teachers and those in authority
- **Progressive Discipline Model:**
 - Verbal Warning
 - Think Spot/reflection and contacts Parents for a conference
 - Buddy Classroom
 - Counseling Referral
 - Afterschool Detention
 - Administrative Referral/Office
 - MTSS Referral

Detention: When a student is assigned a **detention**, he/she is responsible to serve it as stipulated. Parents must be informed and students will be allowed at least 24 hours to arrange for transportation. The teacher will be expected to inform the office of the detention and is also to supervise his/her own detentions unless arrangements have been made with other staff or the principal. **Students who fail to complete this penalty in a timely fashion will receive additional consequences including loss of outside fun time, additional detention time, or in-school suspension.**

Office Referrals

Students referred to the office for misbehavior, dress code violations, bus referrals, etc. will receive disciplinary action. Any student who receives two or more office referrals within a designated period of time (usually within a nine-week period) will be excluded from all extracurricular activities, reward assemblies, field trips, award banquets, etc. during that designated time period.

Fighting

The principal will determine whether or not an altercation between two or more students will be classified as fighting. Whether the fight occurs at school, on the bus, or at the bus stop, any student whom the principal determines has been fighting will be suspended out of school and will lose all privileges for special events regardless of the number of times he or she has been referred to the office within the nine-week period.

Suspension Policy

When a student misses school due to suspension from school, all missed work may be made up by the student and will be offered by the teacher. The teacher will tell the student when the work is due. A zero is given for work not completed within the time allowed. All work will be graded in a manner consistent with the same work given to all other students in class. Students suspended from school are counted absent and do not qualify for perfect attendance. Absences due to being suspended are excused absences.

5.30.1 CORPORAL PUNISHMENT: To maintain discipline or to enforce Phenix City School System rules, the principal or his/her designee may administer corporal punishment (paddling). Such punishment should never be in the presence of other students. A parent or guardian may make a written request that a student be exempted from corporal punishment and that an alternative punishment be assigned. The procedures listed below must be followed to guarantee proper and legally required due process on behalf of the student. The student must have been informed previously that his/her behavior could bring about the use of corporal punishment. Prior to corporal punishment, initial efforts and/or alternative methods should be taken in an attempt to modify the student's behavior. The administration of corporal punishment must occur in the presence of another professionally certified Phenix City school official, but only after: 1. The school official is informed about the reason for punishment in the presence of the student; 2. The student is given the opportunity to defend his/her position; and, 3. It has been determined that the instrument to be used to implement corporal punishment is appropriate for the aged and physical size of the student being punished. Discipline of a student with disabilities shall be determined on a case-by-case basis in accordance with the requirements of the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act, and the student's Individualized Education Plan (IEP).

Success Academy Placements

The Success Academy (SA) is an alternative placement designed to modify behavior before allowing the student to return to the regular school environment. A student assigned to this site for any length of time cannot participate in extracurricular activities while assigned to the Success Academy. These students are not allowed on any other school campus during this placement.

Success Academy assignments will be uploaded through Schoology (elementary courses, specialty courses, STEM, fine arts, etc). Course assignments must meet the minimum class time requirements each day and align with the same instructional content presented in the classroom.

Long-term Success Academy placement will be a minimum of 45 school days. Teachers will be notified via email from the principal. The teacher should enter the final reported Success Academy percentage grade for **each graded assignment** in the PowerTeacher Pro Gradebook of the appropriate course within 24 hours of the notification. Questions about Success Academy placements, grades, and/or assignments must be referred to 334-298-9876.

Student Dress Code

Student Dress Code: A student's school clothes will consist of clothing that is neat, clean and appropriate for school. (Appropriate refers to clothing that covers the body sufficiently enough not to cause undue attention of school officials and/or other students). - Clothing shall be appropriate and decent.
- Clothing will be worn as it was intended.

Any student who displays an inability to abide by school and classroom rules will be excluded from attending special events sponsored by the school, school clubs, or PTO. This includes field trips, special guest appearances, ball games, movies, parties, dances, etc. It will be up to the sole discretion of the child's teacher and the school administration as to whether or not a student's behavior warrants exclusion from these events.

SECLUSION AND RESTRAINT

The use of physical restraint is prohibited in the Phenix City School System and its educational programs except in those situations in which the student is an immediate danger to himself or others and the student is not responsive to less intensive behavioral interventions including verbal directives or other de-escalation techniques. Physical restraint is expressly prohibited when used as a form of discipline or punishment. The use of other physical restraint, chemical restraint, mechanical restraint, or seclusion is prohibited in the Phenix City School System and its educational programs.

2. Members of each school's Crisis Management Team will be trained on appropriate restraint techniques to use during crisis situations.

Parent Notification

Written notification will be provided to parents when physical restraint is used to restrain their student. This written notice will be provided within a reasonable time not to exceed one school day from the use of restraint.

Bus Conduct and Procedures

While the Phenix City Board of Education offers, as needed, a system of pupil transportation, it also requires parents of students to accept responsibility for supervision until such time as the student boards the bus in the morning and after the student leaves the bus at the end of the school day. Once a student boards the bus, he becomes the responsibility of the Phenix City Public Schools. Such responsibility shall end when the student is discharged at the regular bus stop at the close of the school day. Since the bus is an extension of the classroom, the Board shall require students to conduct themselves on the bus in a manner consistent with established policies of the Phenix City Board of Education regarding discipline. When a student does not conduct himself properly on a bus, the bus driver shall bring such instances to the attention of the building principal. Riding the bus this year will require new procedures.

The building principal shall inform the parents immediately of the misconduct and request their cooperation in controlling the student's behavior. Students receiving a bus referral will be disciplined according to the following manner:

- A. 1st referral: Warning conference with student; bus referral note sent home with student
- B. 2nd referral: 5 day bus suspension
- C. 3rd referral: 10 day bus suspension
- D. 4th referral: 20 day bus suspension
- E. 5th referral: 9 week bus suspension
- F. Subsequent referrals may result in loss of bus privileges for the semester or for the rest of the school year.

Pupils who violate the rules may be placed on immediate suspension from the bus. In some cases, the police/authorities may be notified for possible legal action. Students who vandalize or damage buses will be charged for repairs. Students will not be permitted to ride any bus until all damages are paid in full. When students are suspended or lose bus privileges, it shall be the parent's responsibility to get the student to and from school. Students may not ride a different bus.

Parental Involvement

Parental Involvement Policy

Research shows that parent and family involvement increases student achievement and success. In order to support and promote essential parent involvement, we provide opportunities for parent involvement in the following ways:

Parents Advisory Committee

The **Parents Advisory Committee** is designed to acquaint the parents with the faculty and administration as well as to improve conditions for education in Phenix City. We urge all parents to join the **Parents Advisory Committee** at the beginning of the school year and to attend all meetings. This is the only way the administration can learn your desires regarding our education system and we can work collaboratively to improve our school. More information regarding the meeting dates for Parents Advisory Committee Meetings.

Communication

We work to ensure communication between the home and school is regular, two-way and meaningful. Communication is fostered through the use of newsletters, report cards, progress reports, parent-teacher conferences, parent/teacher communication folders, student handbooks, email, websites, Facebook page, documented phone calls, school call out system, etc.

Parenting

We help promote and support responsible parenting activities. Activities are planned for parents throughout the school year. There are parenting workshops, and special events for parents to observe activities at the school during the school day. All family members feel welcome and all attempts are made to remove barriers such as cultural and language differences. The MES Parent Work Room is open every day for the parents, to access the internet as well as collect information pertaining to our school.

We strive to connect parents to their children's learning by giving them information on how they can help in the learning process. Sharing is provided on specific projects, grade level expectations, homework, and classroom website.

Volunteering

We welcome parents in the school and seek their support and assistance. We offer a welcoming climate, parents are given opportunities to volunteer during and outside regular school hours and a volunteer appreciation event is held for parents.

Parent Information

Visiting During the School Day

During the school day, we act as your child's parent/guardian with our primary goals being instruction and maintaining an orderly and safe learning environment for all students. We welcome and appreciate parental involvement in our school; however, it is distracting to students and teachers for parents to make lengthy visitations to their classrooms. Therefore, to facilitate our goals for instruction and orderliness, please do the following: sign in and obtain a visitor's pass from the school office and enter the classroom quietly and remain quiet during the entire visit.

Folders – Take Home: Take Home Folders will be sent home every day. These folders are a strong communication instrument between school and home. Folders might include the following:

- Weekly homework calendar
- Student work
- Academic report
- Behavioral report
- Weekly newsletter from the teacher or team
- Notes from the principal
- Calendar of school events
- Other school information

Email

You may email your child's teacher at any time. In most cases, the teacher's email address will be his or her first initial and last name followed by @pcboe.net. There are no spaces in the address, and it is all lower case. In some instances, the teacher's email address will not follow this format. It is advisable to ask your child's teacher for his or her correct email address. Parents are asked to provide teachers with email addresses. Hard copies of information from the teachers or the administration are sent home, but they may also be emailed to all parents who request email information.

Meadowlane Elementary School Website/Facebook/Twitter Page

Our school's web page is available at www.pcboe.net/mes.

Facebook <https://www.facebook.com/mespcboe>

These forums are for sharing information only! No replies will be sent to messages. The web page and Facebook are great ways for you to receive current information about activities at Meadowlane Elementary. We will also include photos of activities and some student artwork. The inclusion of a student's photo and/or his or her work will be determined by the parent's response to the Phenix City Board of Education's Internet Acceptable Use Policy completed by the parent during registration. These media outlets will be used to share **POSITIVE** things about Meadowlane Elementary.

Lost and Found

Students who have lost items should inquire about the items before school and after school. Speak with the custodians, the classroom teacher, and the P.E. coaches about missing items. Any items not claimed by the end of each quarter will be given to the clothing bank or other agencies.

Contact Information & Telephone Usage

Parents should make a habit of automatically informing the school of new telephone numbers or addresses. These are important especially in the case of an emergency. Phone numbers are used by our mass communication system to call and/or text parents about upcoming events, report cards, etc. NO students will be called to the office to receive telephone calls. In the event of an emergency, office personnel will make necessary calls. **Plans for after school should be made prior to leaving home each morning.**

Conferences

Conferences are the best way to learn how a child is doing in school. Your child's teacher, as needed, will schedule conferences. Parents or guardians may call and request a conference at any time. The best time to schedule a conference is before or after school or during the teacher's planning period. In an effort to allow the school principal to be visible to students during daily arrival and dismissal times, most conferences with the school principal will be scheduled between the hours of 8:30 and 1:45 P.M. Some conferences with the principal may be scheduled before 8:00 A.M. or after 3:00 P.M.

Powerschool Parent and Student Portal

You may access your child's school information through the Powerschool Parent and Student Portal. You will be able to monitor your child's grades, attendance, and discipline entries. Your students log information is listed on their report card and progress reports.

Transportation Web Query

To find out information about bus service to your area, please visit the Transportation Web Query site on the Internet. To access the site, go to <http://www.pcboe.net> and click on the Bus Icon in the middle of the page. This shortcut will take you to a screen where you can type in your address and your child's grade. A screen will come up that provides you with information about your child's bus route.

Parties at School/Flowers, Gifts, and Balloons

No parties may be held at the school without the permission of the principal. Note: If permission is granted by the principal for parents to bring cupcakes or other items, the teacher must be notified and must agree to the date and time for cupcakes to be shared. In order to maintain the integrity of the school instructional program, the delivery of flowers, gifts, balloons, etc. to students at school is prohibited by the Phenix City Board Policy. Students are not allowed to travel on the school bus with balloons, flowers or gifts for safety reasons.

Electronic Signatures Guidelines

Phenix City School District recognizes the effective and efficient use of electronic communications to conduct educational business. Under certain conditions, electronic signatures satisfy the requirements of a written signature when transacting business. Although all electronic signatures are represented digitally, they can take many forms and be created using many different types of technology. The authenticity and reliability of electronic signatures relating to transactions are dependent on the accompanying processes, supplemental records, and the overall context in which records are created, transferred, signed, and stored.

Definitions

Attribution - an electronic signature is attributable to a person if it was the act of the person. The person's actions may be shown in any manner, including showing the efficacy of any security procedure applied to determine the person to which the electronic signature was attributable.

Electronic Signature - an electronic sound, symbol, or process attached to or logically associated with a record and executed or adopted by a person intending to sign the record.

Electronic Record - any record created, generated, sent, communicated, received, or stored electronically.

Guidelines

According to Alabama Code (Section 8-1A-7), an electronic signature may be used if a signature is required unless a specific law, regulation, or order requires records to be signed in a non-electronic form. The issuance and/or acceptance

of an electronic signature by Phenix City Schools shall be permitted in accordance with the provisions of these guidelines and all applicable state and federal laws. Such electronic signature shall have the full force and effect of the manual signature only if the electronic signature satisfies all of the following requirements:

1. The electronic signature identifies the individual signing the document by his/her name and title;
2. The identity of the individual signing with an electronic signature is capable of being validated through the use of an audit trail;
3. The electronic signature and the document to which it is affixed cannot be altered once the electronic signature has been affixed; and
4. The electronic signature conforms to all other provisions of this policy.

Acceptance, Use, and Issuance of Electronic Records and Signatures

Phenix City Schools may utilize electronic recordkeeping systems to receive, store, and reproduce electronic records and signatures relating to transactions in their original form. Such system shall include security procedures whereby Phenix City Schools can:

1. Verify the attribution of a signature to a specific individual.
2. Detect changes or errors in the information contained in a record submitted electronically;
3. Protect and prevent access, alteration, manipulation, or use by an unauthorized person; and
4. Provide for nonreproduction through strong and substantial evidence that will make it difficult for the signer to claim that the electronic representation is invalid.

Phenix City Schools shall ensure that all electronic signatures can be accurately reproduced for later reference and retained until all legally mandated retention requirements are satisfied.

Phenix City Schools may elect to receive and accept original electronic records and signatures so long as the communication, on this face, appears to be authentic and conforms to all other provisions of this policy.

Phenix City Schools will retain this policy in its records and all statements of exclusive use until all legally mandated retention requirements are satisfied.

Parents must sign the Permission to Counsel Form before counselors may work with students individually or in small groups.

Physical Education

Physical Education is part of the school curriculum. All children are expected to participate unless some physical disability prohibits it. If there are reasons a child cannot participate, the school should be notified in **writing**, stating the nature of the disability and the number of days to be in effect. Parents cannot request that a child be kept out of PE for more than one day. **IF A CHILD CANNOT PARTICIPATE TWO OR MORE CONSECUTIVE DAYS, A DOCTOR'S EXCUSE MUST BE SENT** which states the nature of the disability and the number of days to be in effect. The student will return to PE when the dates stated on the doctor's excuse have expired. **Appropriate shoes and clothes should be worn to school for proper participation in P.E.**

Textbooks are furnished to all students. Teachers assign textbooks to students, and students are responsible for the care of books issued. Retribution shall be made for lost and damaged books. Books on regular loan are checked out for a period of one week and may be renewed if desired. Only two books may be checked out at a time. A fine of 5 cents per day will be charged for overdue books. Special Education Services Individuals with Disabilities Education Act (IDEA)

Students identified by school system personnel as qualifying for special education services receive those services in the least restrictive environment for the individual student. Services are primarily delivered through inclusion in the regular education classroom and/or the resource room as outlined in the student's Individual Education Plan. A certified and highly qualified faculty member works closely with the student's classroom teacher to deliver instruction. The special education teacher (case manager) oversees the implementation of the Individual Education Plan (IEP) for students identified as being in need of special education services and is the primary contact for issues related to the student's IEP.

English Learner Program (EL)

This program enables the student to participate effectively in the regular academic program. Additional information and a copy of the EL Program guidelines may be obtained from the Phenix City Public Schools Federal Programs Department.

Gifted Education Referrals

Gifted students are those who perform at or who have demonstrated the potential to perform at high levels in academic or creative fields when compared to others of their age, experience, or environment. These students require services not ordinarily provided by the regular school program. Students possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor. Teachers, counselors, administrators, parents or guardians, peers, self, or any other individuals with knowledge of the student's abilities may refer a student. Additionally, all second grade students will be observed as potential gifted referrals using a gifted behavior checklist. For each student referred, information is gathered in the areas of Aptitude, Characteristics, and Performance. The information is entered on a matrix where points are assigned according to established criteria. The total number of points earned determines if the student qualifies for gifted services. To make a referral, contact the principal, counselor, or Gifted Specialist at your child's school.
