

Meadowlane Elementary School - Smart Lab

Mrs. Hall

Email: alice.hall@pcboe.net

Welcome to the Smartlab

Smartlab is a classroom where students are encouraged to explore various technologies both independently and collaboratively. We explore science, technology, engineering, arts, and mathematics.

All classes come to SmartLab once a week for 30 minutes. There will be times students work together and other times they will work individually.

We will continue to use the MES Core Values in Smartlab:

1. **Respect** your peers, teacher, and the Smartlab equipment.
2. Show **Responsibility** by cleaning up after yourself and putting your supplies away properly.
3. Show **Leadership** by doing your best
4. **Perseverance**, be patient and don't give up if an idea doesn't work the first time.
5. **Kindness**, be kind to each other and speak sweetly to one another.

Discipline

My goal is to help you be successful. Poor behavior choices will be handled in a six-step method.

1. Warning
2. Loss of Class Participation
3. In Class Reflection Assignment
4. Student will be sent back to homeroom teacher. Student will complete a second reflection sheet. This will be signed by student, classroom teacher, and parent/guardian.
5. Phone call home.
6. Office referral
