Visitors to School and Parent Teacher Conferences

Anyone not employed by the Phenix City Board of Education to work at Phenix City Intermediate School is considered a visitor. Parents and other school patrons are always welcome to visit PCIS; however, conferences with teachers will require at least 24 hours advance notice in order to protect instructional time. To schedule a parent teacher conference, please contact your student's teachers or the grade level counselor of your student. All visitors are required to report immediately to the office and obtain a visitor's pass before going to any other part of the school. Office personnel should be aware of the purpose of any visit. Classroom visits should be scheduled with the PCIS front office 24 hours in advance. In order to protect instructional time, parents are asked to refrain from speaking with the teachers during classroom observations/visits.

NOTE: The exception to this is COVID-19 procedures and protocol. Under this protocol, only visitors approved by the Principal are allowed on campus to include parents. The safety of students and staff is the primary concern and until direction is given from the Superintendent, there will be no visitors allowed on campus.

The principal is responsible for protecting instructional time and the welfare of students. Principals are authorized to take the necessary steps in dealing with unauthorized visitors.

Arrival and Dismissal Procedures

Students who ride the bus will be dropped off at the front of the school. ALL Students transported by car will be dropped off at the covered awning beside the gym. Students should be picked up in the appropriate area based on grade level:

7th Grade- at the covered awning beside the gym

Students who arrive at school between 7:10 AM and 7:35 AM should report to their HB classrooms for breakfast. Students arriving after 7:45 AM will be counted tardy and will have to check in at the front office.

For dismissal, students will be called by building numbers to the front of the school to board buses. Car riders will report to the appropriate pick-up area. Please note that all students transported by car should always enter and exit on the curb. **All car rider/daycare/walker changes in after school transportation must be made by parent/guardian in writing or in person prior to 1:30 PM. All bus transportation changes must be made in writing to the front office by noon the day prior to the change taking effect. Day of bus changes will not be allowed.**

Attendance Policy

The Phenix City Board of Education emphasizes the value of regular school attendance. In addition, Alabama state law requires that every student of compulsory age (under 17) be required to be in attendance for the full session of the school year. It is the responsibility of each student, under the law, to attend school on a daily basis, and it is the responsibility of the parent/guardian to send the child to school on a daily basis. Through this policy, the Phenix City Board of Education reaffirms its commitment to this state mandate.

The PCBOE also recognizes the educational benefits of regular attendance. Not only is each day's lesson important to the individual student, but his/her presence as a class participant contributes to the education of others. Further, all students are expected to be on time.

School attendance is required on the day of any extra-curricular school activity in which the student wishes to participate. A student is considered in attendance if present 50% or more of the instructional day.

Excused absences are defined by the policies and regulations of the PCBOE, which are in accordance with authority granted by the Compulsory School Attendance Law and the following guidelines:

1. Student is too ill to attend school. (A medical note must be provided within 3 days of return to school for the day to be excused.)
2. Inclement weather which would be dangerous to the life or health of the student if he/she attended school. The Superintendent would determine this situation and inform parents through the media.
3. Legal quarantine. School would be notified of this situation by a medical organization.
4. When there has been a death or a serious illness in the student's immediate family necessitating a **reasonable period of absence**. (Two to three days are considered reasonable.)
5. Emergency condition as determined by the Superintendent or Principal. 6. Student absent from school with prior permission of the Principal and the consent of the parent(s).

Post-Absence/Make Up Procedures

Upon returning to school after an absence, the student must bring a note from a parent, guardian, or medical personnel **within 3 days of returning to school** containing the following information:

1. Date of Excuse
2. Date(s) of Absence
3. Reason for Absence (in detail— "sick" or "ill" will **NOT** be accepted)
4. Signature of the parent, guardian, or medical personnel
5. Telephone number where a parent may be reached during the school day (home and business)
6. All medical notes must be on original letterhead or original form. Office manager or doctor's signature must be affixed to the documentation, Information including name, dates, etc., must be clear and legible.

The student must then:

1. Present the note from his/her parent, guardian, or medical personnel to the home base teacher.
2. Home base teachers will collect all excuses. All excuses will be turned in to Mrs. Hampton by the end of the day by the homebase teacher.
3. **Teachers will allow students to make up work; however, credit will only be given for work made up with an excused absence.** It is the responsibility of the student to make arrangements with the teacher involved to make up for missed work. A grade of zero (0) will be recorded if work is not made up within the three-day limit.
4. Students who have absences of more than 3 consecutive days may ask each

teacher for an extension of time to complete make up work.

5. Long-range assignments due on the date of an excused absence **will be due immediately** upon return to school. In the case of a pre-arranged absence, the student must complete and turn in all work prior to the planned absence(s) unless otherwise arranged with the teacher(s).
6. If the student leaves school the day of a test, the student must **be prepared to take the test the day he/she returns to school**. If a test has been announced in advance and the student is absent the day before or the day of the test, the student must take the test the day he or she returns to school. This policy is in effect for any announced assignments, papers, or projects, and homework.
7. **Notes WILL NOT be accepted after the 3rd day following an absence. An unexcused absence will be assigned after the 3rd day.**

Unexcused Absences

Students will be allowed to make up work for absences that are unexcused; however, no credit will be given. An unexcused absence is defined as:

- An absence which does not meet the criteria for one of the exemptions from the Mandatory School Attendance Law as set forth by the State Board of Education and adopted by the PCBOE.
- An absence for which a student does not provide a written excuse documenting an excused absence, within the 3 days allowed, or within the guidelines of the excused absence procedures stated above.
- A student is truant from class or school.

Early Warning Program

The Phenix City School System, in cooperation with the Russell County Juvenile Court, has implemented the Early Warning Truancy Program. The purpose of this program is to ensure that students attend school regularly and on time. An outline of the program is as follows.

- 3rd unexcused absence – Early warning letter (email is sufficient)
- 5th unexcused absence – Early warning parent/administrator conference
- 7th unexcused absence – Early warning referral to Phenix City Schools Truancy Officer

Any student who has previously attended the Early Warning Truancy Prevention Program that continues to have problems will not be referred to this program again. Instead, a petition will be filed with the Juvenile Court Officials for prosecution.

Tardies, Check-In & Check-Out

A student is tardy to school when he/she is not in home base at 7:45 AM. Students who are tardy must sign in through the office. For a tardy to be considered excused, the parent must present a note from a doctor, dentist, or court official. Students who accumulate excessive tardies to school each semester may be subject to disciplinary action.

Parents are asked to refrain from checking students out of school after 2:15 unless

in the event of extreme emergency.

Skipping

A student is considered to be skipping for **any unauthorized absence** from a class, which includes being in any location on campus with or without permission for an extended period of time (i.e. remaining in the cafeteria after your class has been dismissed, reporting to class after the sounding of the bell and attendance has been taken). The school administration will take the following action:

- 1st Offense 1 day of ISS**
- 2nd Offense 2 days of ISS**
- 3rd Offense 3 days of ISS**
- 4th Offense 1 day of OSS**

- 3rd Offense 4 days of ISS**
- 4th Offense 2 days of OSS**

Promotion/Retention Policy

Grades K-6: The process of making decisions as to promotion and retention of elementary students should take into consideration a variety of factors including age, maturity, motor coordination, capacity for learning, and academic progress. The determination process should involve the principal and teacher(s) with the authority for determining promotion and retention resting entirely with the teacher(s) and principal, except that a kindergarten student may be retained only upon approval/agreement of the student's parent(s) or guardian(s). If a student needs to be retained based on the teacher's professional judgment of the student's academic performance and/or other factors, the parent(s) or guardian(s) of that student would be informed as early in the school year as possible. In all cases, the decision of whether a student should be promoted or retained shall be made on the basis of which grade placement provides the student a better chance of progressing in his/her educational development. Passing reading and math, in the respective grade levels (1-6) is required for promotion to the next grade. Successful completion of an approved summer school program after retention in a grade level may make the student eligible for promotion in the subsequent school year.

Grades 7-8: Students in grades seven (7) and eight (8) must pass combined total of six (6) semesters of core courses (mathematics, English, science, social students) each year in order to be promoted to the next higher grade. Included in the combined total of six (6) semesters of core courses, the student must pass two (2) semesters of English and two (2) semesters of math. Students who do not pass the required semesters of core courses in grades 7 and 8 will be retained at their current grade level for the next school year, unless they successfully meet the requirements in an approved summer school program.

Summer School Fees: To Be Determined in May 2022

Final promotion and retention will be determined by a review team of administrators. Parents may not overturn retention.

Alabama High School Athletic Association No Pass-No Play Policy Students entering the 8th grade must have passed during the last two semesters (i.e. their seventh grade year) and summer school, if applicable, at least five new subjects with a minimum composite numerical average of 70 in those five subjects.

Withdrawal Policy

Should you need to withdraw your child from PCIS to transfer to another school, you will need to contact our office to fill out the appropriate paperwork. **PCIS requires at least a 24-hour notice to process withdrawals.**

Academic Awards

Students who maintain all A's for the year will be recognized at an Academic Awards Celebration in May. Students who maintain A's and B's for the year will be recognized with an additional pride break celebration in May. Phenix City Intermediate School scholars will be recognized for academic excellence throughout the school year.

Student Behavior & Discipline

While at Phenix City Intermediate School and being transported by bus, students are expected to behave in an appropriate manner and exercise self-control. Although self discipline is desirable, it is necessary to have some external controls and corrective discipline procedures. Teachers manage their classrooms under guidelines of their classroom management plan as well as the Phenix City Intermediate School School-Wide Discipline Plan. Individual teachers will advise students of class rules and consequences for rule violations as well as rewards for appropriate behavior. Class II and Class III offenses, as defined in the Phenix City Schools Code of Conduct, will be referred immediately to an administrator. Class I disciplinary offenses, with the exception of dress code violations and unauthorized electronic devices, will be handled by the classroom teacher using the following progressive behavioral management plan:

- 1st Occurrence – Warning
- 2nd – Silent Lunch
- 3rd – Call Parent/Guardian
- 4th – Teacher Detention
- 5th – Office Referral

Any discipline problem, or accumulation of problems, that a teacher considers serious will be reported to an administrator in writing. It is the administrator's main concern that teachers are allowed to teach, and students are allowed to learn in a safe and orderly environment. Students who refuse to take part in an orderly learning process or interfere with the learning process of other students will be dealt with and/or removed from school. Strategies for dealing with inappropriate behavior may include counseling, parent contact, detention, corporal punishment, in-school suspension, out of school suspension, or alternative placement. (See the Phenix City Public School's Code of Student Conduct in the registration packet).

Description of Behavior Expected of Students

Students are expected to treat other students with courtesy, respect, and dignity and comply with the rules governing student behavior. Students are expected and required to:

1. Comply with the requirements of law, policy, regulation, and rules prohibiting harassment, violence, or intimidation;
2. Refrain from inflicting or threatening to inflict violence, injury, or damage to the person or property of another student; and
3. Refrain from placing another student in fear of being subjected to violence, injury, or damage when such actions or threats are reasonably perceived as being motivated by any personal characteristic of the student that is identified in this policy.

Students who violate this policy are subject to a series of graduated disciplinary actions as outlined in the Code of Student Conduct, and/or consequences established by law, or any rule or standard adopted under authority of this policy.

Fighting

Any student in grades 6-7 who fights at school, adjacent to school, on the bus, or at the bus stop for whatever reason, will be removed from the campus and will be charged with a Class III- Major Offense.

If a student fights on the bus, in addition to the above punishment, they may be suspended from the bus for the remainder of the school year or parts of the following year.

Harassment and/or Bullying

No student shall engage in or be subjected to harassment and/or bullying, violence, threats of violence, or intimidation on or off of school property, on a school bus, or at a school-sponsored function by any other student. Bullying and/or harassment is defined as a continuous pattern of intentional behavior including, but not limited to, cyberbullying or written, electronic, verbal, or physical acts that:

- Place a student in reasonable fear of harm to his or her person or damage to his or her property;
- Have the effect of substantially interfering with the educational performance, opportunities, or benefits of a student;
- Have the effect of substantially disrupting or interfering with the orderly operation of the school, whether the conduct occurs on or off school property, online, or electronically;
- Have the effect of creating a hostile environment in the school, on school property, on a school bus, or at a school-sponsored function; and
- Have the effect of being sufficiently severe, persistent, or pervasive enough to create an intimidating, threatening, or abusive educational environment for a student.

Reporting, Investigation, and Complaint Resolution Procedures

Complaints alleging violations of this policy must be made on System-approved complaint forms available at the principal's and/or counselor's office, on the school system website, on each school's website, and in this handbook. The complaint must be signed by the student alleging the violation or by the student's parent or legal guardian and delivered to the principal or the principal's designee either by mail or personal delivery.

Acts of reprisal or retaliation against any student who has reported an alleged incident of harassment and/or bullying are prohibited and are themselves in violation of this policy. Any confirmed acts of reprisal or retaliation will be subject to disciplinary action. A student who deliberately, recklessly, and falsely accuses another student of a violation of this policy is subject to disciplinary action.

The entire policy is available on the district website under *Our District; Reports and Policies*; Policy #3.46.

Students responsible for loss, destruction, or damage to any school property will be required to pay for any repair or replacement necessary. Further disciplinary action may be taken.

Cell Phones: Students are allowed to bring cellphones to school at their own risk. Cell phones, however, should stay off and out of sight during the regular school day unless instructed by a PCIS staff member to do otherwise.

Other electronic devices: All electronic devices other than the student's personal cell phone and school issued Chromebook should not be brought to campus.

Violation of this policy will result in the following:

Students must take care of their personal items such as money, purses, wallets, coats, school supplies, glasses or any other items deemed as personal. However, students should never bring toys, games, or collector cards to school. **The school is not responsible for lost or stolen items.**

Teacher Detentions

After school teacher detentions can be assigned within the context of the PCIS school wide discipline plan. Detentions will be assigned with at least 24 hours notice. Notification of the assigned detention will be given to the student in writing for the purpose of parental notification. Students will sign for the written notice that is given to them. Failure to attend the teacher assigned detention will result in further disciplinary action.

Lost Items

You may check the lost and found department during lunch if you lose something. Lost and found is located in the small cafeteria. The lost and found will be cleaned at the end of each 9 weeks. Items in the lost and found at this time will be donated to local shelters. Students are encouraged not to lend personal items such as watches, rings, money, clothing, etc., to other students. Loaning personal items can create problems if the borrower loses or fails to return the item. **The school assumes no responsibility for lost items when students lend personal items to others.**

Problem Solving Team / Response to Instruction (RtI)

This team is a designated school-based committee designed to meet the needs of general education at-risk students that is composed of regular education teachers, administrators, counselors, and others as needed. This committee addresses discipline, drop out, academic, and behavioral student challenges. It also provides immediate support and progress monitoring when addressing classroom concerns.

Special Education - Individuals with Disabilities Education Act (IDEA) Students identified by school system personnel as qualifying for special education services receive those services in the least restrictive environment for the individual student. Services are primarily delivered through inclusion in the regular education classroom and/or the resource room as outlined in the student's Individual Education Plan. A certified and highly qualified faculty member works closely with the student's classroom teacher to deliver instruction. The special education teacher (case manager) oversees the implementation of the Individual Education Plan (IEP) for students identified as being in need of special education services and is the primary contact for issues related to the student's IEP.

Gifted Referrals

Gifted students are those who perform at or who have demonstrated the potential to perform at high levels in academic or creative fields when compared to others of their age, experience, or environment. These students require services not ordinarily provided by the regular school program. Students possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor.

Teachers, counselors, administrators, parents or guardians, peers, self, or any other individuals with knowledge of the student's abilities may refer a student. Additionally, all second grade students will be observed as potential gifted referrals using a gifted behavior checklist.

For each student referred, information is gathered in the areas of Aptitude, Characteristics, and Performance. The information is entered on a matrix where points are assigned according to established criteria. The total number of points earned determines if the student qualifies for gifted services.

To make a referral, contact the principal, counselor, or Gifted Specialist at your child's school.

The plan describes in detail how any asbestos will be minimized. Students, parents, teachers, and others are invited to review this plan available in the principal's or director's office.
