Phenix City Elementary School's Comprehensive Counseling and Guidance Program is dedicated to preparing every student socially, academically and emotionally for present and future challenges.

We firmly believe:

- Every student has the right to experience respect and dignity as a human being.
- Every student has the right to participate in activities that promote self-direction and self-development.
- Every student has the right to make choices and accept responsibility for choices made.
- Every student has the right to attain their maximum potential in academic, career and personal/social development.

“Soaring Beyond Expectations”

Mission Statement:

“Pursuing Excellence on behalf of every student in every school.”
