

CENTRAL HIGH SCHOOL CLASS OF 2023

Registration Orientation

College and Career Readiness at CFA

STEAM (Science, Technology, Engineering, the Arts, and Math) focuses on application of knowledge.

Knowing how to use what you learned = COLLEGE AND CAREER READY

Efforts in place:

- **1:1 initiative with Chromebooks**
- **Pre-AP: Laying the Foundation in all core courses**
- **AP course offerings start with AP World History at CFA**
- **Achievement testing preparation**
- **Continuation of coding, digital media, and engineering initiatives with CT pathways**
- **Opportunities in all areas of Fine Arts**
- **Foundational Business pathway coursework**
- **STEM IQ**

Becoming College and/or Career at CHS

The four-year plan, developed in 8th grade with each student's individual post-secondary goals, interests, and skills in mind, will assist in the selection from a variety of pathways in HS:

- 1) Take more college credit courses while still in high school (up to 40 hours).**
- 2) Take more specialty elective courses such as foreign language, drama, band, athletics, cheerleading, art, ROTC, etc.**
- 3) Specialize in a career technical field such as culinary arts, welding, coding, HVAC, cosmetology, masonry, carpentry, business, etc.**

Dual Enrollment

- Honors US History I & II (6 college credit hours)
- Honors English 11 & 12 (6 college credit hours)
- Pre-Calculus & Calculus (6 college credit hours)
- Honors Biology I & II (8 college credit hours)

*** Career Technical dual enrollment classes that combine the above dual enrollment courses with courses at CVCC in career tech. Students who choose this route get their career technical college courses and their academic courses at no charge.**

Advanced Placement In the Classroom

- AP Government
- AP Physics & AP Biology
- AP English Language/Composition & AP Literature/Composition
- AP Computer Science
- AP World History & AP U.S. History
- AP Calculus

Credit Advancement

- **Credit Advancement is an opportunity for students to earn credits outside of the normal school day.**
- **CA is offered after school each of the 4 nine weeks for CHS students and during the summer.**
- **Most credit advancement courses are done through Access.**
- **The exception is the required LIFE (PE) credit in the summer before or after the students 9th grade year. (Marching band and NJROTC can substitute for the LIFE credit).**
- **Driver's Education with the required Health credit is also offered in the summer after 9th grade for credit advancement.**

Access Courses Available for Credit Advancement
