Resources for Home Learning and Reading

We have recently added eBooks to our collection that are available for you to check out and read at home! Go to our catalog via the link below, and the eBooks will be listed on the home page! If you would like to check out an eBook, please email welrod@mypcboe.net, jedwards@mypcboe.net, or gdubose@mypcboe.net so that we can create an account for you!

In addition, many of our students have a library card from the Phenix City Russell County Public Library. You can access unlimited ebooks with your public library card using the Libby app! Libby is a free app where you can borrow ebooks and digital audiobooks from your public library. You can stream books with Wi-Fi or mobile data, or download them for offline use and read anytime, anywhere. All you need to get started is a library card.
