

Central Freshman Academy Community Service

Freshmen, by Friday, April 9, 2020 you will be expected to have obtained a minimum of 10 community service hours. (A list of suggested places to obtain your hours is attached at the end of this packet).

Please keep in mind that each year your community hours will be filed and used as a part of your graduation requirements.

***Note:** Before you graduate from high school, you should have a total of 55 community service hours. You will obtain 10 your freshman year, 15 your sophomore year, 20 your junior year, and 10 your senior year.

*If you are a member or become a member of a service organization at CFA or CHS, you can use the hours you obtain from participating in service projects with that organization to complete your 10 required hours. (A list of service organizations sponsored by CFA and CHS is attached below.)
